CANCER SUPPORT**

CANCER INFORMATION AND SUPPORT

The Macmillan Information and Support Centre provides a free, confidential drop in service for anyone affected by cancer. We offer information on a wide range of cancer related topics, financial advice and a bra and headwear fitting service. Our staff can help you access counselling services and local support groups. Most importantly have a cup of tea and talk over any problems.

**Opening times can vary. Please ring before making a special journey:
01325 743008**

We are located in the main entrance of Darlington Memorial Hospital, next to the reception desk.
